Founded by a German doctor in 1907 in Shanghai, Tongji Univeristy has owned 100 years history. Today, 20 May, is the official celebration day of the university.

The Centenary Ceremony of Tongji University is highlighted on the top place on the homepage of Sina, the largest news & media portal website in China. Alumni from all over the world today gathered in the campus and shared the tremendous happiness.

As a graduate of Tongji University, I have spent nearly seven years there. Most of important and beautiful things in my life happened in Tongji. What the feeling at the moment! I love you, Tongji, Happy Birthday!!!

I will be always proud of you and never give up dreams, together with you!
